

SARVASUDDI JAYA PARAMESWARI

AI Engineer / AI-ML Fresher | jayaparameswari95@gmail.com

SUMMARY

B.Sc. Computer Science graduate and aspiring AI Engineer with hands-on project experience in AI automation, prompt engineering, LLM applications, workflow automation, and Python. Built practical projects using n8n, Gemini, REST APIs, Docker, embeddings, and vector databases. Seeking an entry-level AI Engineer / AI-ML role to apply technical skills and grow in a professional environment.

INTERNSHIP & CERTIFICATIONS

- **Python Full Stack Developer Intern** — DataPro, College Internship
- **AI Mastery Course** — Frontline Media (FLM)
- **Employability Skills Program** — Mahindra Pride Classroom, Naandi Foundation
- **AI Tools and ChatGPT Workshop** — be10x

PROJECTS

Digital Overload AI — Intelligent Attention & Task Overload Analyzer

- Designed an AI-assisted system that analyzes daily tasks, deadlines, notifications, and message-based inputs to identify overload and help users prioritize work.
- Built an n8n workflow using form input, an LLM chain, and Google Gemini to generate a prioritized daily plan.
- Applied prompt engineering for deadline-aware prioritization and practical recommendations for students and early-stage learners.

AutoApply AI — Intelligent Cold Email Job Applier

- Designed a Python-based AI automation concept to extract job details from job-description screenshots/text and generate personalized application content.
- Planned AI-powered OCR and LLM processing to identify company, role, requirements, and relevant job details from user inputs.
- Supports personalized cold-email drafting and an end-to-end job-application workflow using AI and automation tools.

TECHNICAL SKILLS

Programming: Python, JavaScript, HTML, CSS **AI/ML:** ML Fundamentals, NLP, Generative AI, Prompt Engineering, Transformers, BERT, GPT, Embeddings, Vector Databases **Tools:** n8n, Google Gemini, Ollama, Docker, Git, GitHub **Development:** React, REST APIs, SQL **Concepts:** API Integration, Automation Workflows, SDLC, Problem Solving

EDUCATION

MLA's Degree College, Nrpm B.Sc. Computer Science — First Class	2021–2024
Sri Pragathi Junior College, Nrpm MPC (Intermediate) — 81.6%	2019–2021
Sri Vidyanjali High School, Nrpm Andhra Pradesh State Board — 10.0	2018–2019

LANGUAGES & HOBBIES

Languages: English, Telugu **Hobbies:** Aquarium keeping, Shuttle, Gardening
